Truste from North Dakota we formed the sequaintance of Mr. and Mrs. J. B. Fox, who were engaged in the real estate business in the Herald building, 156 Washington street. Mrs. Fox was a highly cultured lady and it was difficult for any one to refrain from admiring her for her true womanly qualities. NOT GUILTY, But Must Hang.

Born in Rensselaer County, New York State, in early part of this century—emigrating with a part of my family to Ramsey County, Minnesota, in 1890, I have lived continuously on a farm and as my friends say a useful life—am well known in every civilized (and many uncivilized) country in the world—a majority of American farmers are my intimate friends. My associate in crime (f) came into existence about the same time as myself and bears equally as favorable a record—is it not a pity that innocence shall suffer through gullty misrepresentation—yet we cheerfully go to our doom, and grant you permission to hang this card on the wall, that "those who run may read and know that Walter A.
